“I hope we can continue walking our path together.....”
Yours forever.

— Isabelle

“Count your age by experiences and friends, not years. Count your life by memorable moments and smiles, not tears.”
(John Lennon)

Together with my gratitude for the moments and experiences we

have spent together ... and hopefully years more of them to come.

— Owen Kemp

“Who looks outside, dreams; who looks inside, awakes.”
(Carl Jung)

Thank you so much for making me look inside. May we be side by

side in many ventures to make the world a better place.

— Andreas Hartl

“Change is the only constant in life.”
(Heraclitus)

Let's create flow, a flow of change in this world where many things

are in flux already – Thank you soooooo much for making me see.

— Weynand Kuijpers

“Let the beauty of what you love be what you do.”

— Didem Gordon

*“Be impeccable with your word.
Don't take anything personally.
Don't make assumptions.
Always do your best”*
(Don Miguel Ruiz)

— Stela Suils Cuesta

*“A good head and good heart are always a formidable combination”
(Nelson Mandela)*

Toen ik je leerde kennen op 25 juni 2011, hadden we direct een klik, we wisten niks over elkaar 'but we got along'. Je nodigde me al direct uit voor je trouwfeest de week erop. Dit werd de basis van een (h)echte vriendschap, we konden op elkaar vertrouwen, we konden altijd op elkaar rekenen en hadden soms niet veel woorden nodig. Door die jaren heen heb ik je steeds beter en beter leren kennen, en heb ik je nog meer en meer leren apprecieren, wat een geweldige kerel ben jij, met een groot hart, op de juiste plaats. So good we met, so happy to have met you, and to get to know you. Love you - Big hug
Always there for you!

— Joris

*“The greatest leader is not necessarily the one who does the greatest things. He is the one that gets the people to do the greatest things.”
(Ronald Reagan)*

Kristof, thank you for pushing us to be the best we can be, and to

achieve greatness.

— Sabrina Sadik

*“People can feel real Ikigai only when they proceed toward self-realization, in love and happiness, in their encounters with others, and through a sense of the value of life.”
(Kobayashi Tsukasa)*

Dear Kristof, I came across the beautiful concept of Ikagi recently.

When expressed in this, its simplest form, *“Ikigai is the process of allowing the self’s possibilities to blossom,”* I thought, perhaps, you might like it as much as I did.

— Dan Leighton

*“The Web as I envisaged it, we have not seen it yet. The future is still so much bigger than the past.”
(Tim Berners-Lee)*

*“I alone cannot change the world, but I can cast a stone across the water to create many ripples.”
(Mother Theresa)*

Dear Kristof, seems befitting to quote the founder of the internet

and the most iconic evangelist of love as a tribute to our leader and my friend :)

Thank you for who you are, and what you do for all of us...

— Chris Hutton

“Whatever happens in the future, trust in destiny” Kristof, tx for our past, looking forward to that destiny

— Peter van der Henst

(Friedrich Nietzsche)*

— Reem Khramis

Dare to Be
When a new day begins, dare to smile gratefully.

When there is darkness, dare to be the first to shine a light.
When there is injustice, dare to be the first to condemn it.
When something seems difficult, dare to do it anyway.
When life seems to beat you down, dare to fight back.
When there seems to be no hope, dare to find some.
When you are feeling tired, dare to keep going.
When times are tough, dare to be tougher.
When love hurts you, dare to love again.
When someone is hurting, dare to help them heal.
When another is lost, dare to help them find the way.
When a friend falls, dare to be the first to extend a hand.
When you cross paths with another, dare to make them smile.
When you feel great, dare to help someone else feel great too.
When the day has ended, dare to feel as you have done your best.
Dare to be the best you can —
At all times, Dare to be!
(Steve Maraboli, Life, the Truth, and Being Free)

— Georges Georgiou

“When we love, we always strive to become better than we are.
When we strive to become better than we are, everything around us
becomes better too.”
(Paulo Coelho, The Alchemist)
Let this quote from The Alchemist always be a reminder to us all

that the strongest power we hold inside us is “love”, it’s what makes human, it’s what makes us whole. And together with our combined love we can accomplish anything.

— Adnan Fatayerji

“Any intelligent fool can make things bigger and more complex... It takes a touch of genius – and a lot of courage to move in the opposite direction.”
(Albert Einstein)
Thank you for the years of inspiration that have passed, and for the many more to come.

— Christophe de Carvalho Pereira Martins

The One that finds the truth, speaks about the truth, and stands his
truth and people will listen, learn and grow
your heart connects us all
your mind cuts out and carves
and sculptured a platform for people to grow
from zero, from scratch
your healing is our healing,
and as team we grow and evolve, connect and learn
core is trust and trust is core
that you continue to find in who you are, what you do and what the
universe will bring
the dream that found your soul
to expand us all

Thank you dear Kristof to have become part of my life and let us dream on, follow the waves that bring light, love and truth into all and great Ibiza sunsets.

— Lucien Lecarme

“Your heart knows the way. Run in that direction”.

Dear Kristof!
Thank you for your brave immense heart, hearing it’s whispers, letting it cry out saying This way!! Let’s go! For following it fully, and inviting us for this wild, wonderful, divine ride! *“Only from the heart can you touch the sky.”*

You’ve opened the heart wide, pointed up, and now together we can say to the world, arms raised and dancing:

“Love calls - everywhere and always. We’re sky bound. Are you coming?”

May the heart, the sky, the material and the divine support you, in ways you can’t yet even imagine.

(Rumi)

— Jenne

“Leadership is not about a title or a designation. It’s about impact, influence and inspiration. Impact involves getting results, influence is about spreading the passion you have for your work, and you have to inspire team-mates and customers”.
(Robin S Sharma)

As you mark your years of existence on earth today, I join others

in wishing you a very happy birthday. May you have many more years and sound health to stay with us and continue to lead!

— jeneviedemesa

“Real quality means making sure that people are proud of the code they write, that they’re involved and taking it personally.”
(Linus Torvalds)

Thank you allowing me (and us) to write code of which I’m proud, for good causes and a better future.

— Maxime

I believe that we are here to create Heaven on Earth. I do believe that every seed planted with love can grow into a flower, that every blossom can turn into a bloom under the warmth of a loving touch. I do believe that miracles do indeed happen when the intention is love. I believe that people like you, Kristof, are the ones who can, and do, change the world, making it a better place for all living beings. Thank you for being a creator, for making a difference, for including me in your journey. May Divine Love surround you and

Be You – always.
With infinite love and gratitude.

— Daniela Nikolova

My soul honors your soul. I honor the place in you where the entire Universe resides. I honor the light, love, truth, beauty and peace within you, because it is also within me. In sharing these things we are united, we are the same, we are one. Thank you you for the

opportunity to grow alongside you and so many beautiful people. With gratitude, happy birthday! Namaste.

*There is no difficulty that enough love will not conquer,
no disease that enough love will not heal,
no door that enough love will not open,
no gulf that enough love will not bridge,
no wall that enough love will not throw down,
no sin that enough love will not redeem.
It makes no difference how deeply seated may be the trouble, how great the mistake. Sufficient realization of love will resolve it all.*

— Ragheb Abushahba

*Believe you can change the world.
Work quickly, keep the tools unlocked, work whenever.
Know when to work alone and when to work together.
Share – tools, ideas. Trust your colleagues.
No politics. No Bureaucracy. [These are ridiculous in a garage.]
The customer defines a job well done.
Radical ideas are not bad ideas.
Invent different ways of working.
Make a contribution every day. If it does not contribute, it does not
leave the garage.
Believe that together we can do everything.
Invent.*

— Wolfgang Wittmer

*MIND: I'm worried.
HEART: Just relax.
MIND: But, I'm totally lost now.
HEART: Just follow me.
MIND: But you've never been there before.
HEART: Trust me, you'll love it.
SOUL: If you two would shut up, I'd show you the map.* Kristof,

may you always be guided by your soul purpose. Through our intentions and action we will manifest the change we need in our reality together. All we need is love!

— Olivia Jurado

Fail often,
But always fail forward.”
(John C. Maxwell)
Thank you for teaching me how to fail forward, to learn from it,

make adjustments and move on!*

*“Your time is limited, so don't waste it living someone else's life!”
(Steve Jobs)*

Dear Kristof, having worked with you for more than two decades, I

very much started to appreciate your view on time and life. I hope not to lose you in the next two decades to come.

— Sacha Vekeman

*“It's not what you look at that matters, it's what you see. As far as I'm concerned, I see People, I see passion, I feel complicity. You made us gather around this greater goal, and we are all assembled to make that happen. I'm having fun again.
I know this: we're going to be old friends till we're old and senile,*

and then, we'll be new friends every day again ;-) Did I tell you I love you? There! I said it.”

— Jan De Landtsheer

*“Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek.”

better world.

*“Your task is to build a better world,’ God said. I answered, ‘How?... this world is such a large, vast place, and there's nothing I can do.’ But God said, in all His wisdom, ‘just build a better you.’.”
(Author Unknown)*

Happy Birthday Kristof.
